PRINTMAKING

Fixing the Moment: From Sketch to Woodcut, by Margaret Adams Parker, June, pp. 52-57, 74-75.

Learn to paint extraordinary portraits at the hands of one of the world's foremost masters. Add substance, depth and drama to every portrait you paint with any one or all of these video presentations. From conception through final refinements, you'll get a fascinating, up-close look at every phase of the creative process.

Daniel Greene's tapes have helped thousands of artists from beginners to professionals. Now bring his singular expertise into your home or add to your collection with these two new videos!

For information about Daniel Greene's workshop schedule, call: 914-669-5653

Send coupon and US check or money order to: Famous Painter Films, P.O. Box 158, Kimberly, WI 54136-0158
